Links United for Coma Awakenings through Sport

PILOT ACTIONS

Country: Denmark

Organization: Aalborg University

This project 557075-EPP-1-2014-1-IT-SPO-SCP has been funded with support from the European Commission.

This publication reflects the views only of the author, and the Commission cannot be held responsible for any use which may be made of the information contained therein.

1. PARTICIPANTS RECRUITED

	N. <i>(Everyone involved even if they have not attended all lessons)</i>	Age <i>(age group)</i>	Characteristics	N. of which had done motor / physical / sporting activity before acquiring disability
People with disability (TBI or SCI)	7	5-14	<i>(Injury, time since injury, other important information)</i>	
Caregivers	0		<i>(Health status)</i>	

2. OPERATORS INVOLVED (who has worked to implement the methodology: TECHNICAL = who conducted the lessons)

For:	Educational qualification	Specific training	Professional experience
Operators (technical)			
Caregivers			

3. OTHER PROFESSIONALS INVOLVED IN THE PROJECT AND HOW *(add rows, if necessary)*

For:	Educational qualification	Job	Role in the project
Expert	Physiotherapist	CEO of Jump and Joy AB	Expert and coordinator of the planning of the pilot studies
14 operators	Special pedagogues		Took part in a pre-study through an interview
	Special teachers		Took part in a pre-study through an interview
	Physiotherapists		Took part in a pre-study through an interview

4. VOLUNTEERS INVOLVED IN THE PROJECT AND HOW

N. volunteers	Role in the project

5. PERIOD OF IMPLEMENTATION (from - to)

For:	N. of months (overall duration)	N. sessions per week	Average % of participants rate

For:	N. of months (overall duration)	N. sessions per week	Average % of participants rate
People with disability (TBI or SCI)	June-September, 2016	Between 10 minutes and 1 hour five days a week. The time was dependent on the status of the child.	
Operators	June-September, 2016	Between 10 minutes and 1 hour five days a week. The time was dependent on the status of the child.	
All together	June-September, 2016	Between 10 minutes and 1 hour five days a week. The time was dependent on the status of the child	

6. ORGANIZATION OF THE ACTIVITY SESSIONS (includes LESSON)

For:	Welcome time (yes/no)	Duration of the lesson Options envisaged:	Closing time - greetings (yes/no)
		<p>a) 60 minutes disables /60 min caregivers + 30 min all together</p> <p>b) 15 min all together + 60 minutes disables /60 min caregivers +15 min all together</p>	
People with disability (TBI or SCI)	See above (issue 5)	<i>Select a) or b)</i>	
Operators	See above (issue 5)		
All together	See above (issue 5)		

7. PLACE OF EXECUTION OF THE LESSONS (gyms / environments / outside ...)

For:	Please describe the place (gym, park, pitch, etc) in which the activity was carried out
------	---

For:	Please describe the place (gym, park, pitch, etc) in which the activity was carried out
People with disability (TBI or SCI)	At the institution where the child spent the day.
Operators	At the institution where the operator worked and where the child was part of the group of children she worked with.
All together	At the institution where the operator worked and where the child was part of the group of children she worked with.

8. PERFORMED PROGRAM (type of activity)

For:	Physical activity / motor activity <i>(indicate whether with aids)</i>	SPORT <i>(sportive disciplines done by participants - indicate whether with aids)</i>
People with disability (TBI or SCI) <i>[Please provide information about the organized activities: individual or group activity, adapted sport]</i>	Hoppolek programme/activity	
Operators <i>[Please provide information about the organized activities: individual or group activity, adapted sport]</i>	Hoppolek programme/activity	
All together <i>[Please provide information about the organized activities: individual or group activity, adapted sport]</i>	Hoppolek programme/activity	

9. ARISEN CRITICAL POINTS AND SOLUTIONS

For:	CRITICAL POINTS ARISEN	SOLUTIONS FOUND
People with disability (TBI or SCI)	See attached report.	See attached report.

For:	CRITICAL POINTS ARISEN	SOLUTIONS FOUND
Operators	See attached report.	See attached report.
All together	See attached report.	See attached report.

10. ADDED VALUE OF THE WHOLE EXPERIENCE THAT YOU HAVE RECORDED (please describe)

For:	<i>Description</i>
People with disability (TBI or SCI)	See attached report.
Caregivers	
All together	See attached report.
Operators	See attached report.

11. NOT PREDICTABLE ACHIEVED RESULTS – (please describe)

For:	<i>Description</i>
People with disability (TBI or SCI)	
Caregivers	
All together	
Operators	

12. PLEASE DESCRIBE THE ACHIEVED RESULTS (please describe)

For:	<i>Description</i>

For:	<i>Description</i>
People with disability (TBI or SCI)	
Caregivers	
All together	
Operators
