

# Masterclass iINTERCULT Intercultural mediation in the health sector

the 19th of June 2026 from 10am to 12am.  
online on Zoom

[Link for registration](#)

## Why we meet :

- Discuss the general principles of interpreting and mediation in the medical-social field.
- Discover cross-cultural care consultations at St. André Hospital / Bordeaux / France
- Adjusting positioning (invariants and modulations) according to the context of intervention for the intercultural mediator

Questions and Answer session - share your experience!
